

A/E Note - Edit each discipline drawing number and sheet title for the project requirements. When additional drawing numbers and sheet titles are required modify each discipline accordingly conforming to the drawing numbering system below.
Example: Adding a 7th & 8th Floor use A107 & A108 for the Floor Plans and the Roof Plan becomes A109, etc. For Renovation Projects the floor plan sheet numbers for each discipline start with 100. Example: AD100, A100, MD100 (Ductwork), M100 (Ductwork), MD200 (HVAC Piping), M200 (HVAC Piping), ED100 (Power), E100 (Power), ED200 (Lighting), E200 (Lighting) etc.

Revised 1-22-19 – See Underlined Text under Discipline Identification
