USM LEAVE RESERVE FUND PROCEDURES

I. Annual Determination and Reporting of Leave Reserve Fund Balances

The University System of Maryland Office - Human Resources (USMO-HR) shall administer the Leave Reserve Fund (LRF). Each Institution of the University System of Maryland (USM) shall report to the USMO-HR the total number of unused personal leave days for a given calendar year. The format for reporting this information is as listed below. The requested information is to be submitted to the USMO-HR Office by no later than February 15 of each year.

Data to be Reported:

USM Institutions will be asked to provide the total unused personal leave hours in terms of hours and minutes, as applicable, broken down by Regular status Exempt and Nonexempt Employees. This information is to be captured according to each Institution's procedures for managing personal leave balances.

An annual report summarizing the usage of the LRF will be prepared by the USMO-HR and provided to each Institution. The report will include:

1. The balance donated by the Institutions;
2. The amount of leave used from the LRF; and
3. The LRF's end year balance.

II. Eligibility and Application for Use of the Leave Reserve Fund

Eligibility for use of the LRF is governed by the requirements set out in BOR VII-7.11 Policy on Leave Reserve Fund for Exempt and Nonexempt Staff Employees on Regular Status, including the requirement that all available leave is to be exhausted before the LRF can be used. Consistent with this policy, the Chancellor has set a cap of 20 working days as the maximum number of days to be awarded to an individual employee per request. Additional leave may be provided under exceptional circumstances after the employee's continuing eligibility has been verified.

Employee requests to use the LRF should be coordinated through the Institution's Office of Human Resources and, once approved by the President's designee in HR, shall be submitted to the USMO-HR. To apply for usage of the LRF, the employee should complete Part I (Employee Information and Eligibility) of the attached "USM Leave Reserve Fund Request" form and submit it to the Institution's Office of Human Resources.

The request will include the following information:

1. Employee's name;
2. Name of the Institution;
3. Employing Department;
4. Employee's position title, USM service date and number of months of creditable service;
5. Amount of leave and specific dates requested; and
6. Physician's certification of temporary disability which includes the physician's judgment as to when the employee may reasonably be expected to return to work – a prognosis, not a diagnosis. (This certification should be kept confidentially at the Institution and not forwarded to USMO-HR).

Upon receipt of a request from the employee, designated staff of the Institution's Office of Human Resources will complete the form and submit it to the USMO-HR. The USMO-HR will respond to each request in writing within five (5) working days following the receipt of a request, confirming the number of days that are approved, or if the request is denied. The USMO-HR is to maintain an accumulated balance of the number of days in the LRF and report this number periodically to the Institutions' Human Resources Offices. Leave used from the LRF is to be recorded on the employee's time record as LRF Leave using a code designated in the Institution's time-keeping system.

USM LEAVE RESERVE FUND REQUEST

Consistent with the USM BOR VII-7.11 Policy on Leave Reserve Fund (LRF) for Regular status Exempt and Nonexempt Employees, this is the Institution's confirmation and approval of an employee's request for use of the LRF. Please verify the employee's eligibility and approve the transfer of the appropriate amount of leave from the LRF.
